Other change: I am submitting the attached data collection form under OMB# 1820-0521 to receive approval for the following changes: (1) a revision to the due date for the data submission (on page 1 of the form); and (2) elimination of the second version of the form for 1820-0521 which allowed states to report based on 5 race/ ethnicity categories as well as any language that refers to the 5 race/ ethnicity version of the form. We have eliminated the 5 race/ ethnicity version of the form in order to comply with the new regulations that require states to submit data via 7 race/ ethnicity categories by the 2010-11 reference year. We are changing the due date for the form associated with 1820-0521 to the first Wednesday in November in order to offer states technical assistance about data submissions up until the time of the data are due.
